John Maroney—Vice President Welcome and Introductions of Board Michael Butler, President, John Maroney VP, Jeff Cardile VP, Scott Noack Treasurer, and Julie Liscano Secretary

Financial update Scott Noack. Balance as of 1/26 \$11,268. Just purchased concessions \$600. 3 Chick Fil A fundraisers brought in around \$323. Ad sales have been going great thanks to Jeff Cardile. Right now we have about \$2350 in Ad Sales. Program we have around \$2250 in sponsors so far and we are continuing to add more sponsors. John Maroney has secured the Varsity Banners and pocket schedules to go with the program and we are working on a Poster as well to go to sponsors.

Membership update Stacia Butler: Booster club Memberships we have 33 that have signed up so if you haven't filled out your membership form yet please do so as soon as possible. Deadline is 2/15

John Maroney on Hart Hit Fundraiser. We are hoping to hype the players up and schedule a time to meet with them to explain the fundraiser. We have gathered a PS5, Xbox, 50" TV, Chick Fil A for a year, Michael Johnson Performance package, and we are still gathering more prizes and working out details of the fundraiser.

Concessions update Julie Liscano: We picked up the keys this week and Stacia and I made a Sam's trip and stocked up concessions. We spent around \$600. We have stocked the cart completely and it is ready for its first official 2021 game on 2/6. If you have not yet signed up for Concessions the links are on our website. Please remember that we are doing it different this year and you will sign up for a time that your player is playing. We will only be utilizing the cart this year so you will be able to watch baseball and work the concessions. I know it will be hard but there are some weekday tournaments that still need some spots to be filled even if there isn't an IHS team playing. I will also be looking for someone that would oversee concessions at JV1 games and JV2 games. This will be my last year so I'm hoping someone wants to follow in my footsteps and takeover while we are still here this year to walk along side of you. If you are interested please get in contact with me and we can setup a time to meet.

Stacia Butler on Spirit Wear. We are working on the roster shirts for this year and we should be able to send those out this week sometime. You will be able to add yard signs, decals and we may have a few trucker hats left as well. Julie is working on a Senior Mom shirt and will be talking to those moms in a group chat. Senior parents we will also need a baby picture and writeup from you and we will send that out in a chat as well.
